

Returns form

We hate to disappoint! In the event of a return, we try to make the process as seamless as possible.

Non-jewellery returns must be made within **30 days of purchase**. Jewellery returns can be made **within 90 days** of purchase, however, returns due to faults must be made **within 14 days** and you must contact us with images before returning. Any 'fault' after 14 days will be considered user-inflicted damage.

Unless returning due to a fault, items must be in perfect, salable condition and in their original packaging.

If these conditions are not met, your return will be sent back to you. You will not receive a refund.
